Partnering with Tiffany Neufeld In Japan

www.send.org/canada

Introducing: Tiffany Neufeld

“Go in to the world.”

I heard those words during prayer in 2006 while attending Capernwray Bible College in Australia. I had no idea what those words meant for my future but I knew God had a plan for me. After all this time I still do not know what God's plan is for me but am trusting that now is the time to “go” and Japan could be the “world” I am supposed to be in.

Growing up in St. Albert, Alberta, Canada I never thought about entering ministry work. I never considered it until I heard those five words. Even then when I thought about it I envisioned it differently, never as a single Christian woman going to Japan.

Here I am trusting God that He will provide for me. Actually, that He will CONTINUE to provide for me. As I look back since 2006 I see how God has provided, molded, and put desires in my heart for this position. When I started attending Northern Alberta Institute of Technology I had plans on getting a management diploma but through God's leading in my life I left with a Bachelors of Business Administration, majoring in Accounting. Since then I have had a successful career as a private accountant and had time to volunteer at the church I grew up in as their bookkeeper and leading children's ministry.

My home church puts a priority on missions and supporting missionaries and they have supported SEND missionaries for a long time and I grew up hearing about SEND. When I felt God's prompting to start the process SEND was one of the first organizations I looked at. As I really felt God's hand in guiding me to the financial world I wanted a ministry that respected His guidance and not only did SEND have a position that met that but also connected other aspects from my God-

Becoming a Ministry Partner...

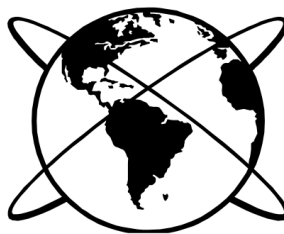

God has proven He knows what He is doing with my life so I am trusting Him with my future – whatever and wherever He may lead.

Prayer Partners:

Our battle is spiritual. The victory is won through prayer. As a SEND missionary, I am required to have at least 30 prayer partners who will commit to pray regularly for me. Up to date information enables me to stay connected and share my personal and ministry prayer requests with you.

Financial Partners:

SEND International is a faith mission. Every SEND missionary relies on the Lord to provide for their material needs. Financial partners commit to invest in a specific missionary's ministry. Their investment helps to provide a modest, but adequate salary, ministry expenses, medical coverage, and pension. A small part of their investment helps to cover the cost of administration (8.5%). Without financial partners, our work would not be possible. Some financial partners agree to regular support, while others prefer to contribute from time to time toward specific projects. Financial partners will receive prompt tax receipts, regular missionary newsletters, as well as updates about what God is doing in other places where SEND ministers.

“And this gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come.”
(Jesus)
